School Report

Report of Superintendent

School Board and Citizens of Albany:

Last June we graduated from the eighth grade five pupils who are now attending Kennett high school. Besides these there are three others previously enrolled so that Albany may justly be proud of the number of its young people who are securing a high school education.

Some statistics for the school year ending in June 1935 follow: total registration, 15; percentage of attendance, 92; tardiness, 6; transported, 4; visits of nurse, 10; visits of superintendent, 16.

The total registration so far this year is 10. Mrs. Almee W. Morrill continues as teacher and the school is in excellent condition.

The summary of the medical inspection for last year follows:

Defects		Treated since last report
Teeth	8	4
Tonsils	3	2
Breathing	2	2
Glands	4	1

The amount of state aid promised for next year is $1,412.31 and the per capita tax is $58. The amount of the $5 tax to qualify for state aid is $1,034.72.

Respectfully submitted,

JOHN H. FULLER,

February 3, 1936. Superintendent.
